## STEAK GRILLING STEAKS & GRILLS GUIDELINES

**Blue** - A completely red centre means a cool & deliciously pure inside, with an exterior seared for less than 2 minutes.

**Rare** - Tender, warm & glowing red on the inside, seared for slightly longer with some juices flowing.

**Medium Rare** - The most popular choice, buttery & flavourful from the melted fat with a beam of red in the centre.

**Medium** - Blushing pink all over & slightly firmer, the delectable flavour remains, yet there are less juices.

**Medium Well** - A dash of pink in the centre, **this is a much firmer** option with some tenderness lost from a more charred outside.

**Well Done** - Darkly charred on the outside with an evenly cooked centre, **this will be much firmer** with no juices flowing.

**Sides** - Our delicious array of sides includes JK's mac & cheese, chips, flavourful smashed potato, baked potato, white rice or fried rice. Perfect to balance the richness, enhance the flavour & add texture to your meal. Enjoy!
