STEAK AND GRILL GUIDELINES

BLUE - A completely red centre means a cool and deliciously pure inside, with an exterior seared for less than 2 minutes.

RARE - Tender, warm and glowing red on the inside, seared for slightly longer with some juices flowing.

MEDIUM RARE - The most popular choice, buttery and flavourful from the melted fat with a beam of red in the centre.

MEDIUM - Blushing pink all over and slightly firmer, the delectable flavour remains, yet there are less juices.

MEDIUM WELL - A dash of pink in the centre, this is a much firmer option with some tenderness lost from a more charred outside.

WELL DONE - Darkly charred on the outside with an evenly cooked centre, this will be slightly firmer with no juices flowing.

SIDES
Our delicious array of sides includes JK's creamy potato salad, roast potato, potato fries, or flavourful smashed potato, white rice or fried rice.

Perfect to balance the richness, enhance the flavour and add texture to your meal. Enjoy!
